

# Knebworth Community Library

Did you know.....

Your Hertfordshire Libraries card can be used for much more than just borrowing books. There are three online sites offering all kinds of extras if you are able to read or listen to text on a phone, tablet or PC.

BorrowBox offers a wide range of e-books and audiobooks. There are currently over 9000 e-books and 3500 audiobooks available to access on-line or to download and read or listen to later. You "borrow" each item for up to 3 weeks, and can renew them for more time. New titles are being added all the time.

RB Digital gives access to the latest issue of over 130 magazine titles, covering a wide range of topics.

**press reader**  
— connecting people through news —

PressReader covers most of the national daily newspapers and a very long list of local papers from all across the country. In addition, there are newspapers and magazines in many different languages, representing many different countries.

Your starting point for all of these options is the Libraries section of [www.hertfordshire.gov.uk](http://www.hertfordshire.gov.uk), along with your Library card and its associated PIN. If you need to reset your PIN, you can also do that online or by calling 0300 123 4049
