

ST MARY'S AND ST MARTIN'S

CHURCH MUSIC  
AND  
ACTIVITIES

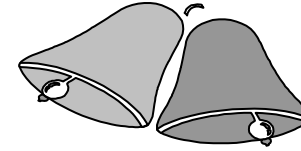

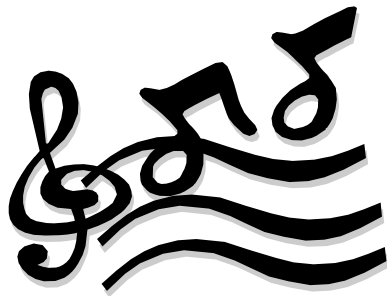

## Church Music

St Mary's and St Martin's are blessed with a very talented organist and some talented members who play at some of the services on keyboard/piano and guitar.

The hymn books used at St Mary's is the Ancient and Modern Revised Standard and at St Martin's for all services it is Songs of Fellowship.

Both churches have organs which are used and maintained regularly and are in excellent condition. The organ at St Mary's was installed in 1995 and was built by Copeman Hart. This is a digital two manual organ with pedals. St Martin's organ is a Willis with the same configuration, but with sound provided via 2 circular clusters of pipes.

**ST MARY'S BELLRINGERS** meet for practice on Friday evenings at 7.45 for 8pm and each practice lasts 1 hour. There is a mixture of young and old in the group, no previous musical experience is required (but perhaps a sense of rhythm is necessary). You do not have to be a committed churchgoer to ring the bells. In fact campanology is a very good "back door entry" into the "world of the church". New recruits are always required and will be made to feel very welcome. Come along to a practice evening and have some fun!

**ST MARY'S AND ST MARTIN'S HANDBELL RINGERS** meet on a Thursday evening in the Parish Centre. They play to youth groups and day centres and have taken part in the "Ring in Christmas Praise" at Christ the Cornerstone at Milton Keynes.

New members or visitors are welcome at any time. No musical experience or the ability to read music is necessary, just a willingness to learn. The evenings are very informal and very enjoyable.
